

40% Energy Savings Guarantee

Restorations Windows guarantees a 40% savings on the energy necessary to heat and cool your home during the first year after installation, when you replace all of the windows and sliding doors in your home with Restorations Windows High Altitude Triple Glazed System, (T.G.S.). If you do not have at least 40% savings on the energy necessary to heat and cool your home during the first year after installation, your Certified

Restorations Professional Contractor will refund the difference, up to a maximum of \$500.00. To make a claim for a refund, contact your authorized Restorations Windows Dealer for an Energy Savings Guarantee Refund Application.
